President's Message

Greetings! As we enter March, my mind turns to travel. Spring is the time I like to finalize all of my professional and personal travel plans. I really look forward to some ultimate escape from winter weather, year-end stress, and post-holiday blues.

COPAS offers a great opportunity in April for me to get away and kick start my year. I always come away energized by the topics and people I am introduced to at our national meetings. I appreciate the opportunity to get out of my spreadsheets and team meetings and to think about the bigger picture and ponder more global, fundamental issues in our industry.

I also look forward to summer travel plans with my family. My oldest son is graduating High School this year (Go Bulldogs!) and he has chosen Alaska for his "senior trip". My planning diva has slipped into high gear, and I have researched, reserved, booked, and scheduled every detail of the trip. It really doesn't matter if we follow my plan or not. It is the planning itself that I enjoy, and the sharing of what I learn and dream about. By the time we actually fly out of Will Rogers in July, I will feel like I have been to Alaska dozens of times on-line and in my dreams.

Fortunately, I have a challenging career in an exciting and dynamic industry! After all of my amazing escapes, it will still be great to come back home and get back to work. I hope all of my friends in COPAS are also rounding the corner of 2013 and looking forward to something wonderful in 2014. Have a great spring!

Carole

pork chops with steamed rice
and stir-fry vegetables.

Meals Guest Fee is \$25
(RSVP required)

TECHNICAL SESSION

Jamie Harris is the Northern Region BD Lead for the Water Management Solutions group at Halliburton Energy Services. She began her career with Halliburton as a field engineer for the Production Enhancement product service line. Since joining Halliburton in 2006, she has held various positions in the field including Senior Technical Professional and District Technical Manager. She then moved on to work in business development, working closely with customers operating throughout Oklahoma, Kansas, and Texas. In late 2011, Mrs. Harris joined Halliburton's Water Management Solutions team and currently supports the Northern Region, which includes the Mid-Continent and Rockies work areas.

Mrs. Harris holds a bachelor's and master's degree in civil engineering from the University of Oklahoma and is also a member of the Society of Petroleum Engineers.

Account 1300—Audit
Chairs: Rick Stong, SandRidge and Melissa Gruenewald, Chesapeake

Account 1700—Joint Interest
Chair: Dennis McGee, Chesapeake and Jason Ruth, Chesapeake

Greetings! The COPAS OKC Audit and Joint Interest Committees will meet this month in conjunction with the March 20 General Meeting. Committee meetings will start at 4:00 p.m. The agenda will include discussing Draft #2 of the "Rig-Related Costs" Model Form Interpretation and documenting our comments and questions for the project drafting team. Comments were requested by March 14; however, our OKC Audit and Joint Interest Committees requested an extension due to our meeting falling on March 20 so this topic will take center stage. If time permits, we will give an overview of the COPAS Winter Meeting held in Houston on January 30 and the status of other projects being worked on such as updating AG-19 Expenditure Audits in the Petroleum Industry. We look forward to seeing you at the meeting!

JI Committee
Dennis & Jason

Audit Committee
Rick & Melissa

Account 2300—Spring 2016 National Committee
Chair: Diana Voss, Ward Petroleum

The planning committee will have a meeting at 3:00 on March 20th. We will be deciding on the hotel for the upcoming COPAS National Meeting in OKC. If you have not joined the planning committee and you would like to, please come to the meeting .

Thanks,
Diana

Account 1900—Revenue
Chairs: Jenni McEachern and Craig McCollough, Devon

Greetings! This month, the revenue committee will be having a round table discussion surrounding ONRR topics such as Field Fuel Valuation, Unbundling, Data Mining, and Keephole Dear Reporter Letters, as well as general information such as how to access these letters and other pertinent information online. If you or your company deal with the ONRR, this meeting may be one for you. We look forward to seeing you all there!

Thanks,
Jenni & Craig

Account 2100-Small Oil & Gas Companies
Chair: Tom Elliott, Wilsey Meyer Eatmon Tate, PLLC

The Small Oil and Gas Committee will meet at 3. We will have Elaine Dodd presenting on up to the minute fraud issues. Elaine spent 22 years in law enforcement doing investigative work for the Oklahoma Bureau of Narcotics, retiring in 1995 as the director. Her tenure there allowed opportunities for investigating white-collar crimes as a diversion investigator, as well as training for officers and medical professionals.

Dodd joined the OBA in October 2003 and since then has provided fraud training to thousands of bankers and customers across the state. In February 2013, she was awarded the Brad Edwards Consumer Champion Award by the Oklahoma Attorney General's Office. And, in April 2013, she was inducted into the Oklahoma Women's Hall of Fame.

For six years, she coordinated the community outreach effort for Leadership Oklahoma, helping to start local leadership groups, facilitating retreats and teaching and enhancing skills on a local level.

Thanks,
Tom
