President's Message

Greetings!

Welcome to another exciting year of COPAS OKC!

Meetings will be held again this year at Quail Creek Country Club, 3501 Quail Creek Road, near NW122nd and Lake Hefner Parkway, and there is plenty of free parking.

I am pleased to welcome David Maschino of Maschino, Hudelson & Associates to speak at our first meeting on September 16th. David's areas of expertise in the insurance industry range from benefits cost-analysis to health reform. David and his team have built MHA to become the leader in benefits in Oklahoma, ranked #1 by various insurance leaders over the last 9 years. I'm excited to hear what David has to say about the latest in Health Care Reform. I hope you can join me!

For those of you who are avid golfers, or not so avid, the COPAS OKC golf tournament will be held on September 12th at Fairfax. This is always a fun day to play in the sun and network, and Johnna always has some amazing prizes. Please contact Johnna at johnna.dodson@chk.com with any questions.

Also coming up is our annual Education Day. This year it will be held on November 10th at MetroTech. Speakers are always phenomenal, and it's a great opportunity to earn up to 7 hours of CPE. The Education Committee has done an outstanding job getting this together!

Another committee that has been hard at work planning has been the National Planning Committee. They are putting together details to create an exciting and educational National Meeting in Spring 2016 in Norman, OK.

COPAS OKC has a number of volunteer opportunities. I hope you'll find an area that best fits your personality and area of expertise. It isn't so much the giving of yourself as it is learning from others that helps you grow. For me personally, it has given me a better big picture understanding of the oil and gas industry.

There is a lot going on this year, and I'm looking forward to working with all of you to make this an awesome year for COPAS OKC!

Jenni
