President's Message

Happy Fall to everyone!

Following is a recap of the Fall 2017 COPAS National Meeting. We just returned from the meeting in Denver, Colorado. It was held September 19-22. During our last society meeting, we had a few voting items. The results of our society's votes are as follows:

Voting Item	Results
Bylaws change	Pass
Employee benefits rate change	Pass
National BOD members	Melissa Gruenewald (Oklahoma City)
	Trey Thee (Tulsa)
	Tammy Miller-Davison (Colorado)

The national society voting results mirror those our society selected. CONGRATULATIONS to our very own Melissa Gruenewald, on being elected to serve on the COPAS National Board of Directors!

The National COPAS office has been working to redesign their website. Every member will receive an email with new login information. This will work both for the website and the learning platform. If you have unsubscribed from the National Meeting emails, you will not receive the email blast explaining the new website's features. Membership dues paid to our society include the dues for the National COPAS organization. As part of COPAS membership, members receive discounts and incentives for several services and products. Per the COPAS Executive Director, Tom Wierman, the benefits may be used by both the member and the member's company!

Those of you who are interested in serving on the COPAS National Board of Directors should know that Todd Attalla (Oklahoma City), has been elected to serve on the Nominating Committee along with Vanessa Green (Tulsa), and Bryce Bales (San Antonio).

SAVE THE DATE! We have a social networking event planned for October 19, 2017, at Remington Park.

I am excited to welcome Dr. Bob Blackburn, Executive Director, Oklahoma Historical Society. Dr. Blackburn will tie the modern history of the oil and gas industry in Oklahoma to economic and community growth in places like Oklahoma City. I am Looking forward to seeing everyone at our October society meeting!
